Verse 1:

Jonas loves to play ARAM

He's got skills, he's got flair

He battles hard, he never gives up

He's always up for a good fight, yup

Chorus:

Jonas, Jonas, the ARAM king

He'll take on anyone, and he'll do his thing

He's got a lightning fast reflex

He'll never back down, that's just how he is

Verse 2:

He's played all day, he's played all night

He's got the best champions, everything's just right

He's climbed the ranks, he's made it to the top

He's the best there is, and he won't stop

Chorus:

Jonas, Jonas, the ARAM king

He'll take on anyone, and he'll do his thing

He's got a lightning fast reflex

He'll never back down, that's just how he is

Bridge:

He's a pro, he's a star

He's the one you want on your team by far

He'll lead you to victory, and he'll do it with style

Jonas, the ARAM master, he's worth his weight in gold

Chorus:

Jonas, Jonas, the ARAM king

He'll take on anyone, and he'll do his thing

He's got a lightning fast reflex

He'll never back down, that's just how he is
